RE: Dean Sikes

I am writing to give an endorsement of the ministry of Dean Sikes. Mr. Sikes has come to our center for a number of years now and ministered to both our residents as well as our staff.

Residents of Teen Challenge are taking part in a one-year long Residential Discipleship Program. Our residents come here with “**life-controlling**” addictions. This is a place for help and healing. Dean’s ministry is one that I believe is unique and he has the ability to give a clear, prophetic word to all in attendance that is both timely and God directed.

Dean’s unique and anointed ministry is a gift to our program and to those who are here when he comes. As staff, we have seen Dean reveal things to those in attendance that he would have no way of knowing except by the direction of the Holy Spirit. We have also seen residents find freedom from the words of encouragement received as they become aware of how much God loves them and desires the best for them.

I encourage you to have Dean come and speak for and minister to your organization. You will be glad that you did. If you would like any additional information, feel free to call me.

In His Service,

Roger L. Helle
Executive Director

Hello Dean,

I wanted to tell you that our staff and students were greatly encouraged and challenged by your presentation this morning at Chad's Hope. Your message and your ministry were relevant and life-giving! Thank you for coming and being REAL. It was a breath of fresh air. The personal and specific insights you shared with our group were right on target and without hype or showmanship. Let us know when you are available and we will look forward to having you with us again.

Sincerely,
